

## Bernet Hydraulic Oil Tank Parts Bottom Valve for Fuel Tank Truck

Our Product Introduction

for more products please visit us on [fueldispensermachine.com](http://fueldispensermachine.com)

### Basic Information

- Place of Origin: Anhui China
- Brand Name: Bernet
- Certification: ISO9001.ATEX,UL,MID
- Model Number: HDF100FS
- Minimum Order Quantity: 5PCS
- Price: \$84.60-\$90.00/pieces 10-100 pieces
- Packaging Details: 1PCS PER CARTON
- Delivery Time: 10-15days
- Payment Terms: L/C, T/T, D/P, Western Union
- Supply Ability: 1000 Piece/Pieces per Month

### Product Specification

- Temperature Range: -20°C~+70°C
- Size: 4inch
- Transport Package: 6.500 Kg
- Material: Aluminium Alloy
- Product Name: Bottom Valve
- Medium: Diesel Kerosene Gasoline Fuel
- Installment Mode: Flange
- Specification: 54X50X65 Cm
- Name: Bottom Valve
- Highlight: **Bernet Hydraulic Oil Tank Parts**

## Product Description

Bernet Hydraulic Oil Tank Parts Bottom Valve for Fuel Tank Truck

**BERNET HDF100FS Bottom Valve: Reliable Performance for Oil Discharge**

The BERNET HDF100FS Bottom Valve is a high-quality solution designed for efficient oil discharge applications. Crafted from durable aluminum alloy, this Bottom Valve ensures long-lasting performance in medium to normal temperature conditions. Its robust flange connection provides a secure and leak-proof seal, making the HDF100FS Bottom Valve ideal for industrial use. With a 4" size, the Bottom Valve offers optimal flow control, ensuring smooth and efficient operation. The HDF100FS Bottom Valve is engineered for reliability, delivering consistent performance in oil transfer systems. Its sturdy construction and precision design make this Bottom Valve a trusted choice for demanding environments.

The BERNET Bottom Valve stands out for its exceptional functionality, specifically tailored for discharging oil. Whether in refineries, storage facilities, or processing plants, the HDF100FS Bottom Valve guarantees superior performance. Easy to install and maintain, this Bottom Valve minimizes downtime and enhances operational efficiency.

In summary, the BERNET HDF100FS Bottom Valve is a top-tier product for oil discharge needs. Its aluminum alloy build, flange connection, and 4" size make the Bottom Valve a dependable component in any system. Choose the HDF100FS Bottom Valve for unmatched durability and performance—the ultimate solution for your oil discharge requirements.
