

## Precitec ceramic laser nozzle holder with switch for gasoline pumps

Our Product Introduction

for more products please visit us on [fueldispensermachine.com](http://fueldispensermachine.com)

### Basic Information

- Place of Origin: Anhui China
- Brand Name: Bernet
- Certification: ISO9001.ATEX,UL,MID
- Model Number: PNB01
- Minimum Order Quantity: 5PCS
- Price: \$5.00-5.50 10-100 pieces
- Packaging Details: 1PCS PER CARTON
- Delivery Time: 10-15days
- Payment Terms: L/C, T/T, D/P, Western Union
- Supply Ability: 1000 Piece/Pieces per Month

### Product Specification

- Working Voltage: DC 5V.12V
- Flow Rate: 0
- Voltage: 5V,12V
- Working Environment Temperature: -35°C~+50°C
- Accuracy:  $\pm 0.3\%$
- Rated Pressure: 0.35Mpa
- Material: PVC
- Single Package Size: 50X48X36 Cm
- Single Gross Weight: 13.500 Kg
- Name: Nozzle Holder
- Highlight: **Precitec laser nozzle holder, gasoline pumps laser nozzle holder, ceramic laser nozzle holder**

## Product Description

Precitec ceramic laser nozzle holder with switch for gasoline pumps

Bernet Nozzle Holder: Precision and Reliability for Your Applications

The Bernet Nozzle Holder is a high-performance component designed for precision fluid control in demanding environments. With a working voltage of DC 5V or 12V, the Bernet Nozzle Holder ensures seamless integration into various systems. Its robust PVC material construction guarantees durability, while its  $\pm 0.3\%$  accuracy delivers exceptional performance for critical applications.

Operating in temperatures ranging from  $-35^{\circ}\text{C}$  to  $50^{\circ}\text{C}$ , the Bernet Nozzle Holder maintains reliability in extreme conditions. Whether used in industrial or commercial settings, the Bernet Nozzle Holder excels with a rated pressure of 0.35Mpa, ensuring consistent flow control. The Bernet Nozzle Holder is engineered for zero flow rate deviations, making it ideal for precision tasks.

The Bernet Nozzle Holder's versatility is unmatched, supporting both 5V and 12V configurations. Its lightweight yet sturdy design ensures easy installation and long-term use. When precision matters, trust the Bernet Nozzle Holder to deliver unmatched performance.

For applications requiring reliability, accuracy, and durability, the Bernet Nozzle Holder stands out as the top choice. Upgrade your system with the Bernet Nozzle Holder and experience unparalleled efficiency. The Bernet Nozzle Holder is the ultimate solution for your fluid control needs.

Choose the Bernet Nozzle Holder—where innovation meets precision. The Bernet Nozzle Holder is your key to superior performance.

Product Description:

item	Precitec ceramic laser nozzle holder with switch for gasoline pumps
Warranty	1Year
Customized support	OEM
Place of Origin	China
	Anhui
Brand Name	BERNET
