

Aluminium Alloy Bernet Mechanical Operator Handle for Bottom Valve

Our Product Introduction

for more products please visit us on fueldispensermachine.com

Basic Information

- Place of Origin: Anhui China
- Brand Name: Bernet
- Certification: ISO9001.ATEX,UL,MID
- Model Number: LGF01
- Minimum Order Quantity: 50PCS
- Price: \$14-\$15.00/pieces 40-1000 pieces
- Packaging Details: 1PCS PER CARTON
- Delivery Time: 10-15days
- Payment Terms: L/C,T/T,D/P,Western Union
- Supply Ability: 1000 Piece/Pieces per Month

Product Specification

- Product Name: Mechanical Operator Handle For Bottom Valve
- Specification: 82X47X57 Cm
- Style: Mechanical
- Transport Package: 4.7Kg
- Materials: Aluminium Alloy
- Model Number: LGF01
- Name: Mechanical Operator Handle
- Highlight: **Aluminium Alloy Mechanical Operator Handle, Bottom Valve Mechanical Operator Handle**

Product Description

Aluminium Alloy Bernet Mechanical Operator Handle for Bottom Valve

BERNET Mechanical Operator Handle – Premium Quality and Reliability

The BERNET Mechanical Operator Handle (Model: LGF01) is a high-performance manual control device designed for precision and durability. Crafted from premium aluminum alloy, this Mechanical Operator Handle ensures lightweight strength and corrosion resistance, making it ideal for industrial applications.

With SONCAP and ISO9001 certifications, the BERNET Mechanical Operator Handle meets stringent quality and safety standards. Its ergonomic manual design enhances user comfort, while the robust construction guarantees long-term reliability. The Mechanical Operator Handle is backed by a warranty, reflecting BERNET's commitment to customer satisfaction.

The LGF01 Mechanical Operator Handle is perfect for machinery requiring precise manual control. Its aluminum alloy body withstands harsh environments, ensuring consistent performance. Whether for manufacturing or heavy-duty operations, the Mechanical Operator Handle delivers unmatched efficiency.

BERNET's Mechanical Operator Handle (LGF01) combines innovation with practicality. The manual operation ensures ease of use, while the certified build guarantees dependability. Choose the BERNET Mechanical Operator Handle for superior control and durability in any setting.

Upgrade your equipment with the BERNET Mechanical Operator Handle—where quality meets functionality. Trust the LGF01 Mechanical Operator Handle for seamless, reliable operation every time. The Mechanical Operator Handle is your ultimate solution for manual control needs.

Experience excellence with BERNET's Mechanical Operator Handle—engineered for performance, built to last. The Mechanical Operator Handle redefines precision and strength in manual handling systems.

Product Description:

item	Mechanical Operator Handle for Bottom Valve
Warranty	1 Year
Customized support	OEM ODM
Place of Origin	China
	Anhui
Brand Name	BERNET
