

Bernet Brand Aluminum Alloy diesel Filter Holder for GL-2 Fuel Filter

Our Product Introduction

for more products please visit us on fueldispensermachine.com

Basic Information

- Place of Origin: Anhui China
- Brand Name: Bernet
- Certification: ISO9001.ATEX,UL,MID
- Model Number: BNT-FH01
- Minimum Order Quantity: 5PCS
- Price: \$3.50-\$4.00 5-100 pieces
- Packaging Details: 1PCS PER CARTON
- Delivery Time: 10-15days
- Payment Terms: L/C, T/T, D/P, Western Union
- Supply Ability: 1000 Piece/Pieces per Month

Product Specification

- Product Name: Fuel Filter Holder
- Inlet&outlet Size: BSPF/NPT1"
- Filter Thread: UNF 1.5"
- Material: Aluminum Alloy
- Applicable Medium: Liquefied Petroleum Gas
- Type: Diesel Filter Holder
- Single Package Size: 12X10X10 Cm
- Single Gross Weight: 1.000 Kg
- Highlight: **Bernet Brand Fuel Filter Holder, Aluminum Alloy Fuel Filter Holder**

Product Description

Bernet Brand Aluminum Alloy diesel Filter Holder for GL-2 Fuel Filter

Product Description:

When it comes to reliable fuel filtration in demanding applications, our Fuel Filter Holder stands out as a top-tier solution. Designed for Liquefied Petroleum Gas (LPG) and Diesel systems, this high-performance Fuel Filter Holder ensures secure, leak-free operation while maintaining superior filtration efficiency.

Key Features of Our Fuel Filter Holder

- Material: Precision-crafted from high-grade Aluminum Alloy for exceptional durability and corrosion resistance.
- Thread Standards: Compatible with BSPF/NPT 1" and UNF 1.5" connections, offering versatile installation options.
- Application: Ideal for LPG and Diesel fuel systems, providing stable and dependable filtration support.
- Robust Construction: Engineered to withstand high-pressure conditions while maintaining a secure hold on filters.

Why Choose This Fuel Filter Holder

1. Enhanced Durability – The Aluminum Alloy construction ensures long-term performance, even in harsh environments.
2. Universal Compatibility – With BSPF/NPT 1" and UNF 1.5" threading, this Fuel Filter Holder fits a wide range of industrial and automotive systems.
3. Leak-Proof Design – Precision machining guarantees a tight seal, preventing fuel leaks and contamination.
4. Optimized for LPG & Diesel – Whether for Liquefied Petroleum Gas or Diesel applications, this Fuel Filter Holder delivers consistent performance.

Applications of Our Fuel Filter Holder

- Industrial Machinery: Ensures clean fuel delivery in heavy-duty equipment.
- Automotive Systems: Maintains fuel purity in trucks, buses, and off-road vehicles.
- Marine & Agricultural Equipment: Resists corrosion in high-moisture environments.
- LPG Fuel Systems: Provides secure filtration for gas-powered engines.
