Basic Information

- Place of Origin: Anhui China
- Brand Name: Bernet
- Certification: ISO9001.ATEX,UL,MID
- Minimum Order Quantity: 5PCS
- Price: \$5.00-\$11.00/pieces 10-100 pieces
- Packaging Details: 1PCS PER CARTON
- Delivery Time: 10-15days
- Payment Terms: L/C, T/T, D/P, Western Union
- Supply Ability: 1000 Piece/Pieces per Month

Product Specification

- Name: Pneumatic Push-pull Valve
- Diameter: 50mm 80mm
- Interface Size: Multi-size
- Body Material: Aluminum 5A02
- Motivation: Pneumatic
- Sensor Length: 180mm Or 300mm

Product Description

Bernet aluminum pneumatic push-pull valve valve is a high-quality product

Product Introduction of Pneumatic Push - Pull Valves

We are delighted to introduce our high - quality pneumatic push - pull valves, which are a remarkable addition to the market.

These pneumatic push - pull valves are proudly from Anhui, China, and carry the well - known brand Bernet.

The pneumatic push - pull valves feature a control valve structure, with the body material being Aluminum 5A02, ensuring durability and corrosion resistance. They come in multiple interface sizes, with diameters of 50mm and 80mm, meeting various application needs. The sensor length is available in two options: 180mm or 300mm.

These pneumatic push - pull valves are driven by pneumatic power and can also be manually operated. They are suitable for ordinary notebooks and a wide range of other applications. Whether it's medium temperature, normal temperature, or other conditions, these pneumatic push - pull valves can perform stably.

We support OEM and ODM services, allowing for full customization according to your specific requirements. Moreover, we offer a 1 - year warranty for these pneumatic push - pull valves. If you are looking for reliable and high - performance pneumatic push - pull valves, look no further! Our pneumatic push - pull valves are the perfect choice for you.

Brand	BERNEET
Place of Origin	Anhui,China
